The 500 Hats of Bartholomew Cubbins - Dr. Seuss - 2013-09-24

As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is Bartholomew's head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!

The Night Fairy - Laura Amy Schlitz - 2011-03-22

What would happen to a fairy if she lost her wings and could no longer fly? Flory, a young night fairy no taller than an acorn and still becoming accustomed to her wings — wings as beautiful as those of a luna moth — is about to find out. What she discovers is that the world is very big and very dangerous. But Flory is fierce and willing to do whatever it takes to survive. If that means telling others what to do — like Skuggle, a squirrel ruled by his stomach — so be it. Not every creature, however, is as willing to bend to Flory's demands. Newbery Medal winner Laura Amy Schlitz and world-renowned illustrator and miniaturist Angela Barrett venture into the realm of the illustrated classic — a classic entirely and exquisitely of their making, and a magnificent adventure.
